Description

DCM203-2
Condominium with 30 amenities, 13,000 m2 of green areas, designed by renown architect firm, Fuentes del Pedregal, for sale Mexico City

Modern and green residential development in the south area of Mexico City,
with outdoor spaces and amenities designed to pamper you and delight your senses.

DESIGN

Avant-garde project that seeks to reinvent the spaciousness and efficiency of spaces with two exclusive towers with apartments ranging from 88 m2 to 450 m2 with 1 to 4 bedrooms.

Designed by the Sordo Madaleno Arquitectos office.

Each department was designed to become a true work of architectural art and intelligently conceptualized to expand your living experience.

Its development included the participation of experts in landscaping, acoustics and lighting, as well as experienced interior designers and architects.

THE CLUB

Designed for you to live extraordinary experiences to please your lifestyle with more than 30 amenity zones, with concierge service and more than 13,000 m2 of green areas.

URBAN GARDEN

This developer designed the house of the future with this urban garden, where you can consume organic products, medicinal plants and lead a healthier life by promoting the harvest and care for nature.

In addition, they promote a sense of community through workshops and experiences that enhance social cohesion.

In the garden you will find crops such as:
? Food forests
? Tisan Herbs
? Salad base

SPA

Pamper yourself the day you want in an area dedicated entirely to relaxation, a spa with a massage area, steam room, sauna and Jacuzzi with hydrotherapy. Find total relaxation steps from your residence.

KEEP IN SHAPE

Keep fit in its pool with swimming lane, run on the jogging track, practice paddle, exercise in the indoor gym or for those who want fresh air, the outdoor gym, or simply relax and contemplate its green areas, you will have a different activity to do every day and everything within walking distance of your residence.

COWORKING AREA

Working from home has never been better, enjoy a quiet space, with internet, ideal for working in a relaxed environment, away from home distractions, at the same time without leaving home.

PET-FRIENDLY

The residential allows pets, and has an exclusive area for your dog to socialize and be free in a controlled and special environment for them. Enjoy your dog park.

In addition to offering babysitting services for dogs and cats, and a veterinarian for your pet.

KITCHEN

Prepare the most delicious recipes in this built in kitchen that would be the envy of any cook, with an open design with a breakfast bar, which allows you to spend time with your loved ones while they prepare their favorite dishes.
