Description

DGL205-2

All bedrooms have private balcony, with amenity terrace on top floor, elevator, in pre-construction, for sale, Jardines de Guadalupe, Zapopan

Condominium in a highly developed residential area in the city, with restaurants and recreational spaces nearby, in a modern building.

With North - South orientation and ventilation that generates a more pleasant microclimate.

One-story apartments with terrace or balcony and a two-story loft apartment with a double-height living room. Ask for availability.

TERRACE OR BALCONY

The main space, have a roofed terrace or balcony that, being tucked in, helps with sunlight, this, together with the north-south orientation of the building, generates a microclimate that is quite pleasant.

ABOUT THE BUILDING

Visually, the building offers an architecture that becomes light as its second half is slimmer, a gesture that breaks the monotony and that, when accompanied by apparent brick walls in a dark color, gives, in addition to a harmonious aesthetic, the not inconsiderable characteristic of aging with dignity in our urban environment.

Modern 14-story building with 28 units. With North - South orientation.

On the lower levels and up to level four, loft-type apartments with double heights; on the fifth level, facing south, the largest unit with three bedrooms stands out and from the sixth level onwards the tower becomes slimmer containing only two units per level, in the transition of the tower from robust to slender, spaces are used generated by this feature to add terraces to the existing private units on the sixth floor; the reduction to a couple of units on the following levels manages to increase the range of privacy and air -with respect to the adjoining- to finally finish off with a pair of penthouses that, together with the terrace-amenity, crown the building occupying its last levels
