Live in a residence that has it all, an intelligent building with innovative design and unique technology. In addition, with private forest, and commercial area, you will not leave the development because you will have everything here.

PRIVATE FOREST

Condominium with 10,000 m2 of private forest with amenities.

COWORKING AREA

Working from home has never been better, enjoy a quiet space, with internet, ideal for working in a relaxed environment, a space where you can work and connect

with your team without interruption. The best place to make an office at home.

PET-FRIENDLY

The residential allows pets, and has an exclusive area for your dog to socialize and be free in a controlled and special environment for them. Enjoy your dog park.

WATERWELL

On the land of this development, it was possible to consolidate the permits to develop a well that belongs to the federation, however, being within the land and with the construction of cisterns by the development, it is one of the few residential areas that will have water guaranteed.

SHOPPING AREA

The commercial area is the bridge between both towers that allows residents to live together and find basic life services that allow them to enrich their daily experience and that of their guests, such as restaurants, exercise studios, Pet stores and

boutiques
