Description

DPC201

2 bedroom condo in the heart of Playa del Carmen.

With a sophisticated, contemporary and cosmopolitan style. It is positioned as the favorite place to live the "Playa" experience, an area designed for walking, cycling, shopping, having fun with friends and tasting exquisite gastronomic flavors.

Located steps from Fifth Avenue and Shangrila Beach and 900 meters from Mamita's Beach and Coralina Beach Club. Surrounded by restaurants such as "La bodeguita de en medio" and "La Piola", the "ChezCeline" cafe, the best in Playa del Carmen, boutiques, and prestigious stores, you won't need a car, everything is within your reach.

Project of one of the best developers in the area, widely recommended for pre-construction investment because of its construction quality and delivery times.

Floor to ceiling windows that allow natural light to enter.

The condos have Lock off mode, which means that you can rent the room you don't use and have the second bedroom completely independent if you wish.

Common areas overlooking the city skyline, the building has a gym, and less than a block away is a sports complex with basketball and tennis courts and an athletic track.
