Description

MLS-DTU282

Located in the heart of the prestigious residential and commercial area Aldea Zama, Tulum, has an unparalleled proximity to the wonderful turquoise beaches that characterize Tulum.

The growing demand for residences and accommodations in the Riviera Maya make this department a project full of surplus value and privacy in terms of access to public services and essential.

Each department is specially designed, enjoying very wide spaces, materials of the best quality and luxury finishes. All equipped with complete kitchens, using local woods and quartz. The floors are entirely travertine and inverter technology climates in all its environments.

The complex has a space for relaxation, meditation and Yoga in a semi-open environment of common use. And for those who enjoy moments in contact with nature, an extensive green path along with a relaxing mirror of water that allows them from the bosom of the ground floor.

On the second level, the common area of ??the building is developed, consisting of a solarium and a pool with a panoramic view of the native forest surrounding the building.

In addition, we find a grill and lounge area, an outdoor gym and toilets: all covered by an extensive wooden pergola that provides warmth and harmony with the environment.
